Transfer of doctors from Civil Hospital, Robertsonpet, K.G.F.

Q.—539. Sri P. M. SWAMIDURAI (K. G. F.—Scheduled Castes).—

Will the Government be pleased to state:—

(a) whether it has come to their notice that some doctors have been transferred from Civil Hospital, Robertsonpet, K. G. F., within their short stay in that place;

(b) the reason for the same?

A.—Sri T. CHANNIAH (Minister for Public Health and Local Self-Government).—

(a) No.

(b) Does not arise.

Sri P. SWAMIDURAI.—Is it a fact that some of the people of the Taluk Congress Committee have represented direct to you about this sort of transfers?

Sri T. CHANNIAH.—Yes. They have represented.

Sri P. M. SWAMIDURAI.—Then, how is it that you have stated that it has not come to the notice of the Government?

Sri T. CHANNIAH.—When the question was tabled the information had not been received. After the question was answered, representation were made to me.

Sri P. M. SWAMIDURAI.—Is it not a fact that the members of the Board of Visitors of this Hospital have recommended for the retention of this particular doctor there?

Sri T. CHANNIAH.—Yes. They have represented. Government have no information that any doctor was transferred from the Civil Hospital to another place after a short period of stay.

Sri P. M. SWAMIDURAI.—If I furnish the information that it was within a short period that the doctor was transferred, will the Government look into the matter and retain him there?

Sri T. CHANNIAH.—We had no information of any doctor having been

transferred from the Civil Hospital at Robertsonpet to any other place within a short period.

Sri P. M. SWAMIDURAI.—May I know whether the Head of this Department is giving you false information?

Sri T. CHANNIAH.—The Head of the Department has not given incorrect information. If the Hon'ble Member knows that any doctor has been transferred from the Civil Hospital, Robertsonpet, to some other place within a very short period, he may ask for his retention and Government will look into it.

Sri P. M. SWAMIDURAI.—May I know what you mean by a very short period?

Sri T. CHANNIAH.—Very short period means within six months or so.

Sri P. M. SWAMIDURAI.—May I know the reason why Doctors are being transferred within two years or one and a half years?

Sri T. CHANNIAH.—That cannot be considered as a short period, because due to the exigencies of service Government require some doctors to be transferred to a particular place. Due to the exigencies of service they will have to be transferred.
